

## **Immunisation Outreach Nurse** **Part time, fixed term to 30 June 2020**

We are looking for an independent authorised vaccinator to compliment our dynamic Immunisation Outreach Team. This exciting opportunity is ideally suitable for a positive, competent, Registered Nurse with a can-do attitude who is motivated to provide an excellent standard of patient care. You will enjoy working closely with our friendly support and administration teams, knowing you are making a significant impact on the preventative health and wellbeing of young children.

Te Puna Manawa *HealthWEST* is based in West Auckland and are committed to providing effective and efficient health services to Central, West and North Auckland communities and Rodney. Our Immunisation Outreach Team focuses on finding children who have not been able to be immunised on time, and providing the whanau/caregivers with the opportunity for the child to be immunised at home.

You must have a current practicing certificate and be a certified independent vaccinator, proficient in using MedTech. Experience in primary care and community based health services would be an advantage. We are a family-friendly organisation, passionate about engaging with families to improve health outcomes. If you have a great sense of humour, strong nursing skills and love working as part of a great team we would love to hear from you.

This position is for 0.4-0.8 FTE, days to be negotiated with what suits you. Occasional evening or weekend work will be required to meet our targets.

If you meet our criteria please forward your CV to [careers@healthwest.co.nz](mailto:careers@healthwest.co.nz) to reach us by no later than Wednesday 10 April, 2019.
